From the Principal's Desk

K. Jugeshor Singh
Principal
Kumbi College, Kumbi
Manipur

Education provides the foundation for success in life. Hallmarks in to-day's world are the rapid change, globalization and diversity. The real goal of education is to help students to develop the skills and knowledge that are needed for success in this rapidly changing, increasingly diverse and interconnected world. The Kumbi College, Kumbi for the last more than 37 years endeavouring its best to enable the students to build character, and to develop their intellectual, physical and creative activities to the highest level. It is my honest request to all the parents/guardians particularly the nearby localities to send their wards to this College to shape their future and to achieve the goals of life.

Suggestions for the progress of the College from any quarters are highly and warmly appreciated.

K. Jugeshor Singh
Principal

Brief history of the College

The Kumbi College, Kumbi established under the Societies Registration Act, XXI of 1860 came into existence on the 27th September, 1981. Situated at a distance of about 55 km from the State capital, the Kumbi College was affiliated to Manipur University in 1987. In 1993-94 the College was permanently affiliated to Manipur University. Since 1995, the College was included under section 2(f) and 12-B of the UGC. The State Government was kind enough to extend recurring grant to the College on 19th December, 2016.

The object of starting the College is to impart the knowledge of higher education and train manpower mainly to those students belonging to the economically and educationally backward families of the area to enhance their intellectual, academic and cultural development so as to improve the social and economic conditions and welfare of the people of the area in particular and the State in general on non-commercial basis.

Located along the Kumbi-Wangoo Road, in Bishnupur district, the College has a campus of 15.36 acres, generously donated by Late Moirangthem Ahong of Kumbi Mayai Leikai. Kumbi is a quiet place where there is serene atmosphere for peaceful study. The soil is fertile and there are natural scenic beauties in and around. Towards the west there lies the Haotak Pat (Haotak lake), a low lying wide spread field, once was the abode of pythons. The legend still goes on that a mighty and daring personal; a super-human caught a 'giant python' after which he came to be known as 'Mikon Lairen Chaba'. More interestingly, the world famous Keibul Lamjao National Park (KLNP), the only natural habitat of Brow-antlered deer or Sangai is at a distance of only 4 kms from Kumbi.

Besides, the class-rooms, the existing buildings consist of Administrative Block, Library Block, Science Block, Hostel Block and Indoor Stadium.

Details of Academic Courses offered

Programmes offered by the Institute

There are two levels of study programmes in the College, Higher Secondary and Degree. The former is a two year study programme leading to Higher Secondary education and the latter is a three year Bachelor Degree Course.

Higher Secondary Education

For Higher Secondary Education the College opens both Science and Arts streams. In Science stream optional/elective subjects are opened in Physics, Chemistry, Biology, Mathematics, Statistics, Home Science and Anthropology. And, in Arts stream Economics, Manipuri, Political Science, Education and History. Students who have passed the High School Leaving Certificate Examination or equivalent examinations may seek admission in the study programme of Higher Secondary Education. They may select subject combination from the following table.

Science Stream	Arts Stream
1. Physics 2. Chemistry And any one from the following* 3. Biology 4. Mathematics 5. Statistics 6. Home Science 7. Anthropology	a. Economics b. Education c. History d. Manipuri e. Political Science f. Home Science Any three subjects from the following*
* A student may offer one more subject as the 4th subject if/she desires.	

English and Manipuri or Alternative English are the compulsory subjects for both the streams of Science and Arts.

Bachelor of Degree Programme

The College opens Bachelor of Science and Bachelor of Arts in Degree Course. The traditional annual system is being replaced by Semester System from the academic session 2010-11 as per the Ordinance of the Manipur University to which the College is affiliated. As such, there shall be Six-Semester (three year) course of study leading to the award of Bachelor of Arts (Honours) and Bachelor of Science (Honours).

- A.** Study of Bachelor of Arts shall offer the following subjects as per the scheme of study semester-wise.
- a. Education
 - b. Economics
 - c. Political Science
 - d. History
 - e. Manipuri
 - f. Mathematics
 - g. English
- B.** Study of Bachelor of Science shall offer the following subjects as per the scheme of study semester-wise.
- a. Botany
 - b. Chemistry
 - c. Economics
 - d. Physics
 - e. Mathematics
 - f. Zoology
 - g. Statistics
 - h. Home Science
 - i. Anthropology
- C.** A student of Bachelor of Arts and Science shall offer the following subjects.
- I. MIL (Manipuri) or General English in the 1st and 2nd Semester
 - II. RD (Regional Development) in the 3rd Semester
 - III. Environmental Studies in the 4th Semester
 - IV. Elective and Honours subjects (any three from the above subjects stream-wise)
- Note - I: No student shall opt Chemistry/Botany/Zoology unless he/she passed 10+2 examination with Chemistry
- Note - II: No student shall opt Mathematics/Physics/Chemistry unless he/she passed 10+2 examination with Mathematics
- Note - III: No student shall opt for Physics unless he/she passed 10+2 examination with Physics
- Note - IV: Subjects to be chosen stream-wise as per column A(d) shall be considered Elective Subjects and one subject to offered as Honours in the 5th and 6th Semester should be included in the choice
- Note - V: Economics, Mathematics and Statistics shall be considered as Science subject(s) according to the combination of electives.

D. Course Structure leading to the award Bachelor of Arts (Honours) and Bachelor of Science (Honours) under the Semester system shall be as follows

Semester	Subjects	Paper
I	Manipuri/General English Elective - I Elective - II Elective - III	I I I
II	Manipuri/General English Elective - I Elective - II Elective - III	II II II
III	Regional Development (RD) Elective - I Elective - II Elective - III	II III III
IV	Environmental Studies Elective - I Elective - II Elective - III	IV IV IV
V	Honours Honours Honours	I II III
VI	Honours Honours Honours	IV V VI

Semester system introduced from the academic session 2010-11 shall be completed in the academic session 2012-13.

The College has two Faculties, namely Arts and Science besides conducting Classes XI and XII (Arts and Science). The Manipur University (a central University) has accorded permission to offer the following Degree Courses.

Facilities available in the College

Women's Hostel

The College has a Women's hostel for the girl students hailing from remote villages. The 20 bedded hostel is constructed with financial assistance from the UGC during XII Plan period.

NSS- National Service Scheme/ Red Ribbon Club

The College has two NSS units. Our volunteers are highly involved in various developmental activities of the College and nearby localities, such as, creation of gardens, tree plantation and construction of village roads. NSS volunteers are also actively associated with various burning social issues, like - awareness campaigns on crimes against women and environmental protection.

As a part of the Red Ribbon Club our volunteers hand-in-hand with district health authority, students from different schools, and other local NGOs also actively involved in organizing awareness camps, street corner meetings, cycle rallies, etc. particularly in rural areas for the eradication of HIV/AIDS from the society.

Games & Sports

The College has a well-equipped mini gym. Now, the construction of the Indoor Stadium with financial aid from the UGC is almost completed. Our students participated at various National Level games and sports tournaments representing Manipur University.

Alumni Association

Though the College was founded in 1981, the 'Kumbi College Alumni Association' was only inaugurated on 18th March, 2016. All the ex-students particularly the graduates from this College are the members of this association. Since its inception, the association has been progressing well fulfilling the objectives of the association under the governance of the association's president, secretary, etc.

Library

The College has a library located in a separate block constructed with UGC assistance during XI plan period, containing books and other documentation facilities. The number of volumes at present is about 5,500 and more books are being added every year. In addition to text and reference books journals and periodicals are also regularly subscribed.

Other facilities

Computer classes to the needy (at present the College also conducting the one-and-half month computer training programme under the PMKVY), well-equipped science laboratory, Xerox at concessional rate, exemption of admission fee for the 3rd child of the family, awards for toppers of Class XII and B.A./B.Sc. Examinations, round the clock internet facility and free admission for physically challenged students.
